Dear Allen AME Church Supporter,

Allen African Methodist Episcopal Church has been doing God's work for over 160 years. From our original location on Stockton Street to where we are now, the people of Allen have been invested in improving the lives of those within our reach. We believe, as followers of God, that we should do our part to elevate the experience of those who use our services. While we have made repairs and updates to the facility over time, we have reached a point where major renovation and restoration is needed. An updated facility will allow us to safely serve more people.

Through RESTORE 1130, our project name, we are seeking funding to complete a full renovation of the first floor. Once completed, the space will house community meeting space, a commercial kitchen for workforce development training, healthy eating demonstrations, and office space.

We need your help to fund RESTORE 1130 so we can continue to grow and provide services to our community. We have several committed funding partners including the State of Maryland, the Maryland Food Bank, Thrivent Financial Charitable, and members of Allen Baltimore. Would you consider donating? Your investment makes certain of our ongoing presence and ability to continue the legacy of community engagement in the Poppleton Community.

If you have any questions, please don't hesitate to reach out to us. We'd be happy to provide you with additional information about how you can support our restoration efforts. If you wish to contribute, you may submit your check or money order by mail or give online by Givelify or Zelle.

We greatly appreciate your support over the years and look forward to sharing the results of RESTORE 1130.

With gratitude,

Pastor Brenda D. White, MDiv
